THE WORLD FAMOUS LINE CLINIC

MAY 18 & 19, 2018

About the Mushroom Society

The Mushroom Society was established several years ago by a group of professional offensive line coaches. The mushroom logo signifies the similarity between the "O-Line" coach and the fungus. Both are kept in the dark and fed garbage yet continue to flourish! C.O.O.L. (Coaches of Offensive Linemen) are proud to be mushrooms. Come, join us, and enjoy the clinic.
